

Inspection Contact Nomination Form

- A complete record of each inspection will be automatically emailed to the nominated address following every inspection for this building consent.
- The inspection Contact may be different from the owner or agent, however please be aware that only one inspection contact email may be nominated for each Building Consent, and must stay the same throughout the build until the Code Compliance Certificate is issued.
- The nomination of an Inspection Contact is not a requirement; only a service for your convenience. Please feel no obligation to choose an inspection contact at this time.

Building Consent Number: _____
