Subject: RE: Late Evidence Received - Landscape Schedule Variation

Thanks Lynley.

I'll follow up with legal counsel on those matters as I understood that they had been responded to. With regard to the lateness, I was at a funeral all yesterday which unfortunately has taken me out of action and hindered the time I needed to finalise the briefs. I wasn't keen to publicise that as part of a response to all involved parties but I would appreciate it if you can please pass that onto the commissioners.

I have one (short) further brief that I am about to submit for the Arthurs Point ONL Society. Many thanks,
Bretr

Good Morning Brett

I have emailed you a number of times to check your requirements around speaking times for our upcoming hearing commencing October 16th 2023, to date I have not received a response from you.

Evidence was due by 12pm yesterday, as your evidence is late it has been forwarded to our Panel to consider and they will provide you a response when time permits.

Warm Regards

Lynley Scott | P&D Technical Officer | Planning & Development
