

Form 33
Notice of person's wish to be party to proceedings
Section 274, Resource Management Act 1991

To The Registrar of The Environment Court - Christchurch

I, Richard Kilkenny, acting in our capacity as the sole director of Whakataki Limited as trustee for The Speargrass Flat Trust, wish to be a party to the following proceedings:

- **ENV-2018-CHC-138**
- Dean Hamilton, Lisa Hayden and Mark Hornabrook as Trustees of the Hamilton Hayden Family Trust.

We have an interest in the proceedings that is greater than the interest of the general public as a result of owning the land that adjoins the appellants property and any activity upon that land would directly affect us;

We are not trade competitors for the purposes of sections 308C or 308CA of the Resource Management Act 1991.

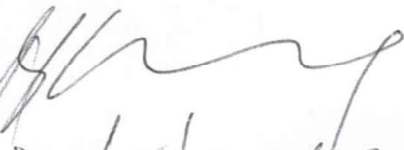

We are interested in all the proceedings.

We oppose the relief sought given that any development of the land in question would directly affect our enjoyment of our property as we place a significant value in maintaining our rural aspect and amenity. We are concerned at the potential for material degradation of our views, our privacy as well as the rural amenity for which we purchased the land, as a result of any subdivision and subsequent domestication.

We agree to participate in mediation or other alternative dispute resolution of the proceedings.
