To: The Registrar
Environment Court
Christchurch

- 1 The parties listed in **Appendix A** to this Notice (**Parties**) wish to be parties pursuant to section 274 of the RMA to the following proceedings:

Darby Planning Limited Partnership v Queenstown Lakes District Council (ENV-2019-CHC-085) (**Darby Appeal**) being an appeal against decisions of Queenstown Lakes District Council on Stage 2 of the Queenstown Lakes Proposed District Plan (**PDP**).

- 2 The Parties are persons who made a submission about the subject matter of the proceedings.

- 3 The Parties are persons who have an interest in the proceedings that is greater than the interest that the general public has, in particular:

- (a) The Darby Appeal seeks a number of amendments to the provisions of Chapter 24 (Wakatipu Basin) relating to, notably, the provision for rural living opportunities in the Wakatipu Basin, the rule framework relating to existing and future buildings, and the standards which apply to buildings.

- (b) The Parties are each landholders with interests in land within the Wakatipu Basin. Each of the Parties lodged submissions and appeals in their own right, seeking similar or related relief to the provisions of Chapter 24 to that sought in the Darby Appeal.

- (c) Given that the provisions of Chapter 24 govern what the Parties can and cannot do on their land from a planning perspective, the outcomes of the Darby Appeal have the potential to directly affect the Parties' interests in their land.

- 4 The Parties are not trade competitors for the purposes of section 308C or 308CA of the RMA.

- 5 The Parties are interested in all of the proceedings.

- 6 Without derogating from the generality of the above, the Parties are interested in the following particular issues:

Chapter 24 (Wakatipu Basin)

- (a) The relief sought to amend, delete, or make additions to the provisions of Chapter 24, including the zone purpose, objectives and policies, advice notes, rules, standards and assessment matters.

- 7 The Parties support the relief sought, insofar as it is consistent with the relief sought in each of the Parties' appeals, because the amendments sought to Chapter 24 better provide for existing building rights, enable appropriate further development, and achieve better planning outcomes.
- 8 The Parties agree to participate in mediation or other alternative dispute resolution of the proceedings.

Dated this 5th day of June 2019
