**SECTION 274 NOTICE – PETER BULLEN**

To: The Registrar  
Environment Court  
Christchurch

1. I, Peter Bullen, wish to be a party to the following proceedings:
  - (a) *Wright v Queenstown Lakes District Council* [ENV-2018-CHC-105 ]
2. I am a person who has an interest in the proceedings that is greater than the interest that the general public has in this case. I intend to be a resident immediately adjacent the affected area and have a sale and purchase agreement to purchase an apartment once construction is completed at Marina Terrace Apartments development on Lakeside Rd Wanaka.
3. I am not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
4. I am interested in all of the proceedings relating to:
  - (a) Chapter 13 Wanaka town Centre Zone:
  - (b) Chapter 36 Noise.
5. I support the relief sought because—
  - (a) It is proposed that acoustic insulation is to be the responsibility of noise receivers rather than noise generators. This statement places an unfair and unreasonable compliance on those existing or near to completion dwellings, rather than the source of the noise and discourages a mixed model environment which is contentious with other parts of the PDP.
  - (b) The proposed changes promotes night time activity with associated noise which cannot reliably be contained to one small area of the CBD. As a rate payer in a mixed model environment I would think equal consideration is given to every resident who could possibly be effected. Every residential dwelling should be permitted to have the right to quite enjoyment on their own property and the PDP is at odds with this right.
6. I agree to participate in mediation or other alternative dispute resolution of the proceedings.
