

Appendix 2 – Plan Change 29

Plan Change 29 – Arrowtown Urban Boundary

Recommendation of Commissioners on Standard Form submissions set out below:

It is recommended that the submissions be accepted for the following reasons:

- Establishing an Urban Boundary around the existing urban area of Arrowtown is the most effective means to manage demand and growth in Arrowtown.
- Arrowtown as it presently exists is nestled well into the landscape and further expansion will adversely affect the character and amenity of the surrounding area.
