Dear Administrator at DP Hearings,
I am in receipt of the Minute of Commissioners dated 19th October ref the Memorandum of Counsel on behalf of Gertrude Sadlery Limited and Larchmont Developments Ltd and note that you received the Memorandum and put it on your website on the relevant website on 17th of October 2022. I did not receive any 'further service' email from the Submitters on the 14th of October (or since). I note in your minute that you require any responses by further submitters to the Memorandum by today 20th October 2022 by 5pm. We do wish to consider carefully, seek appropriate advice and respond to this Memorandum but the time given to do so is quite inadequate and I respectfully request that you review the timetable and give me and my wife a fair and reasonable time to seek advice and respond.

With thanks,
Yours sincerely,
Dr and Mrs Julian and Ella Pedley.
