

Upper Clutha Landscape Schedules Variation

FACTSHEET

Queenstown Lakes District Council (QLDC) is proposing a variation to introduce additional landscape schedules for one Outstanding Natural Feature (ONF) and 12 Rural Character Landscapes (RCL) in the Upper Clutha area.

WHAT ARE LANDSCAPE SCHEDULES?

Our landscapes are highly valued by those who live in, work in, or visit the Queenstown Lakes District. Landscape schedules aim to provide clarity on what aspects of a landscape(s) are to be protected, maintained, or enhanced. They make it easier to understand how a proposal for development may affect those values, and to assess applications for resource consent for development on properties within the identified areas.

HOW DO I MAKE A SUBMISSION ON THIS VARIATION?

The proposed Upper Clutha Landscape Schedules Variation will be notified for formal submissions on Friday 15 November 2024. Submissions can be made on QLDC's website at www.qldc.govt.nz/upper-clutha-schedules
