Map Amendments

MINUTE CONCERNING EXPERT EVIDENCE

1. The Procedural Minute dated 25 January 2016 stated, under the heading "*Hearing Submissions on PDP Text*":

Each expert witness may only present one brief of evidence per topic. ...¹

2. The purpose of this Minute is to clarify that this restriction does not apply in the forthcoming hearings of submissions seeking amendments to the Planning Maps. We recognise that when dealing with changes to the maps, legal submissions and evidence are best directed at the changes requested in a discrete area, rather than attempting to amalgamate matters that may be quite disparate both in terms of location and topic.
