# Sustainability

The Queenstown Lakes District plays host to a range of local, national, and international events, set amongst a spectacular alpine backdrop. Events of all shapes and sizes offer a range of economic, cultural, and social benefits for the district, but without careful planning can also have negative environmental impacts, including generation of waste and Greenhouse Gas (GHG) emissions. Reducing your event waste and GHG emissions doesn't need to be difficult, **we've got guides, templates and checklists** to help you and our friendly venues staff will always be there to give advice.
