

## **RESOURCE MANAGEMENT ACT 1991**

### **PUBLIC NOTICE OF WITHDRAWAL OF PLAN CHANGE TO THE QUEENSTOWN LAKES PARTIALLY OPERATIVE DISTRICT PLAN**

Pursuant to Clause 8D of the First Schedule to the Resource Management Act 1991 the Queenstown Lakes District Council gives public notice as of **7 October 2004** that it has withdrawn the following Plan Change to the Partially Operative District Plan:

#### Plan Change 1: Acoustic Insulation.

The purpose of this Plan Change was to

- improve the amenity of habitable spaces through acoustic insulation in the Queenstown, Arrowtown and Wanaka Town Centre Zones; and
- enable mixed uses in the town centre zones, while avoiding conflicts that may arise due to noise emissions; and
- ensure noise levels within habitable spaces are consistent with the standards proposed by the World Health Organisation (WHO).

The reason for withdrawing Plan Change 1 is that the proposed amendments to clause G6 of the Building Act will largely cover the purpose of the Plan Change and are likely to render the Plan Change unnecessary.
