Roys Bay ski lane closure

Public notice is hereby given to temporarily alter the designation of the Roys Bay ski access lane between **20 December 2024** and **10 February 2025** pursuant to the Queenstown Lakes District Council's Navigation Safety Bylaw 2018.

The temporary revocation of the Roys Bay water ski access lane is in consideration of the influx of swimmers in this area over summer. This raises high risk safety concerns for passive users if encountering a vessel using the ski lane for its designated purpose.

Access lane rules (Clause 42 of the Navigation Safety Bylaw 2018) no longer apply during this period, and swimming is permitted. If entering this area between these dates, please note that no vessels (including those towing a water skier) are permitted to exceed 5 knots within 200 metres of the shore.

Roys Bay ski lane is defined by the following:

Western ski pole: 44.696934, 169.1303

Eastern ski pole: 44.695986, 169.132097

WGS84 Decimal Degrees

Ensure you are complying with the Navigation Safety Bylaw 2018 at all times.

For further information contact Queenstown Lakes District Council on 03 443 0024 (Wānaka) or 03 441 0499 (Queenstown).
