Please schedule both above parties the 15 minute allocated time to speak at the above hearing scheduled for November. We are flexible on which day as long as we can speak consecutively.

It would also be beneficial to have a site visit to clarify our submissions to the stretch of road along Orchard rd and continuing along Studholme Road Sth starting from Riverbank Rd. A short ascension up Huia Tce will also aid to give an excellent overview of the overall land use in question.

We await confirmation of dates and times. Attached Google map shows Orchard and Studholme Rds. If you need a more detailed map let me know. Currently overseas so have limited access to my files.

Thankyou  
Terry Drayton
