

# Town Centre Arterial Road

As 2024 draws to a close, we'd like to wish you a happy and safe holiday season and take a moment to reflect on the significant progress made over the past few months.

## WEEKLY MILESTONE

Gorge Road and Dublin Street opens.

## What to expect over the Christmas holidays

- Our work sites footprint will be reduced, with fencing removed in several areas.
- Gorge Road and Henry Street will reopen with Henry Street serving as a turnaround street until the new link opens.
- We'll have a maintenance crew on site, addressing minor tasks and conducting routine maintenance checks throughout the worksite during the holiday season.

## Questions?

# Looking ahead to 2025

We'll return to work on 6 January to prepare for the Arterial Road to open on 30 January 2025. When the road opens, we'll still be working on the side roads at Ballarat Street, Malaghan Street, Beetham Street and the Stanley Street intersection. More information on this to come in the new year.

Thank you for your patience throughout this year!
