DECISION OF THE COMMITTEE

- [1] This is an application by Sinead Morrow for a Managers Certificate.
- [2] This application was received by the agency on the 31st January 2014. The application was incomplete in that there was no LCQ Certificate or visa details.
- [3] An email was sent to the applicant who failed to respond. Subsequently the agency was advised that the applicant was no longer employed with the employer specified in the application.
- [4] Attempts have been made to contact Miss Morrow without success, not unnaturally she has failed to appear at the hearing. She carries the onus of establishing her suitability and it is quite clear she has lost interest in the application, which accordingly, is refused.
