Hi Shelley,

I submitted in opposition to the Gertrude and Larchmont notification at 111 Atley Road. I agree with APONLS minute 19.10.22 lodged and uploaded by DP hearings today. There is not enough time in the current hearings schedule to properly consider these last minute revisions and I support the hearings being pushed back they can be properly assessed the revised submissions.

I am concerned that this process is being hurried and could compromise its fairness.

Kind regards,
Jenny Hedley
