Interest

2. The s274 Party:
 - (a) made a submission on the subject matter to which the Appeal relates; and
 - (b) also has an interest in the proceedings that is greater than the interest that the general public has because the Appeal may impact on its interests.

3. The s274 Party is not a trade competitor for the purposes of Section 308D of the Act.

Extent of interest

4. The s274 Party has an interest in all aspects of the Appeal, but, without limitation, has a particular interest in the text of Chapter 46 and any related District Wide or Strategic provisions, including the following matters raised in the Appeal:
 - (a) the appellant's assertion that notification and public participation was flawed.
 - (b) the appellant's issue with the widened scope of the RVZ;
 - (c) the appellant's assertion the RVZ is inconsistent with Part 2 of RMA including effects on amenity values, and the integrated management function of a local authority;
 - (d) the Appellant's assertion that the RVZ does not manage the Districts' Outstanding Natural Landscapes, including cumulative adverse effects; and
 - (e) the notification rules for restricted discretionary activities.

Relief sought

5. The s274 Party supports the relief sought in the Appeal, except to the extent that it is inconsistent with the s274 Party's own appeal (including subject to any amendments or withdrawals).

Mediation

6. The s274 Party agrees to participate in mediation or other alternative dispute resolution of the proceeding.
